

# Wake up to Workplace Violence: Ignore alarms - Increase danger

Prevention of violence requires active, assertive and preventative action with all employees assuming accountability.

- + Recognize internal conflict as measurable QI indicator of healthy workplaces
- + Review how home conflict presents itself in the workplace - victim/perpetrator
- + Learn/review "Best Practices" models for violence prevention
- + Consider the impact of unified, consistent conflict approach by all staff
- + Develop awareness-building & educational programs
- + Ensure confidentiality & privacy for victim/perpetrator while addressing the perception of inactivity by organizational leadership teams
