

Building Your Team: Training a Team to Play Together

Teamwork is not the only answer to success in health care - but it is an essential ingredient. Become a part of the solution!

- + Recognize characteristics of a Team versus a Group
- + Identify expected, realistic goals for teams
- + Review key factors in team development
- + Learn stages of team evolution
- + Identify your place amidst the personalities of the Team
- + Work towards consensus as a team
- + Direct conflict towards healthy outcomes
