

# Late Life Love & Intimacy

This workshop explores the impact of dementia on aging and sexual expression, as well as society/caregivers response to that intimacy.

- + What is consent?
- + What is the impact of dementia and expression on sexuality and intimacy?
- + How do family members/spouses/partners feel about sexual expression?
- + How do "personal values" colour responses?
- + When is sexually expressive behaviour symptomatic of other presenting conditions?
- + Are there strategies that meet the need for loving intimacy?
