

Post Falls Protocols: Keeping Your Focus!

Post falls assessment & analysis is a platform for greater care planning outcomes, focusing on prevention of future fall events.

Assessing now & later:

- + Follow up assessments
- + Social & cognitive outcomes - understanding "neuro" signs
- + Documenting the whole picture

Care Planning now:

- + Connecting the dots - reviewing & updating
- + Restorative & physio
- + Family awareness

Responding to patterns of Falls

- + Brainstorming with the whole team
- + Creating preventive measures

NOTES:

Consider providing this workshop as a 3 hour session in the morning for your Registered Staff, and then as three 1 hour mini-workshops throughout the afternoon for your front line. With this schedule, a greater number of your staff will receive training relevant to their roles and responsibilities.
