

The Grief Management Program: Changing People's Lives

Grieving is a chronic experience of the Frail Elderly - loss, change, disability & death create a constant state of stress & upheaval.

- Day #1 - The Grief Management Program**
- + Understanding the frail elderly experience: a time of loss
 - + Understanding the frail elderly experience living with dementia
 - + Assessing needs & creating a supportive care process
 - + Understanding the power of the Frontline caregiver
 - + Empowerment strategies to become an effective Client Advocate
- Day #2 - The Grief Management Process**
- + Defining client centred goals by "Giving power back to the individual"
 - + Developing Life Plans at the onset of relationship with clients
 - + Understanding the issues by learning to listen effectively
 - + Providing direction by shifting the person's view
 - + Working with family supports and increasing their effectiveness
