

# Take this Job... And LOVE It!

Take a look at “office” politics, our relationship to each other’s success and why workplaces often become toxic.

Explore our responsibility to stay true to our organizational mission and encourage the participant to maintain positive attitudes and relationships.

## Topics covered:

- Separating relationships from performance
- Agreeing to disagree/respectful conflict
- The “how-to” of healthy workplace relationships
- Coaching others to common goals
- Remembering we are all on the same team!

**Recommended for:** Front-Line Staff, Registered Staff, Managers

**Duration:** Keynote is 1-1.5 hours in length.

**Extras:** Handouts available for attendees
